

AIR access for general practice nurses and staff from 31 August 2019

Does your practice staff access the AIR secure site using an individual GP's provider number? (e.g. 1234567A)

Note: for immunisation records transmitted to the AIR through Practice Management Software, payments are still directed to the GP. For immunisation records transmitted to the AIR through the AIR provider number starting with an 'S' will be directed to the bank account nominated on the IM004 form.

For further details, refer to the Department of Human Services website humanservices.gov.au and search 'Accessing the AIR using HPOS'

Current at July 2019.
