

I had my injections today.

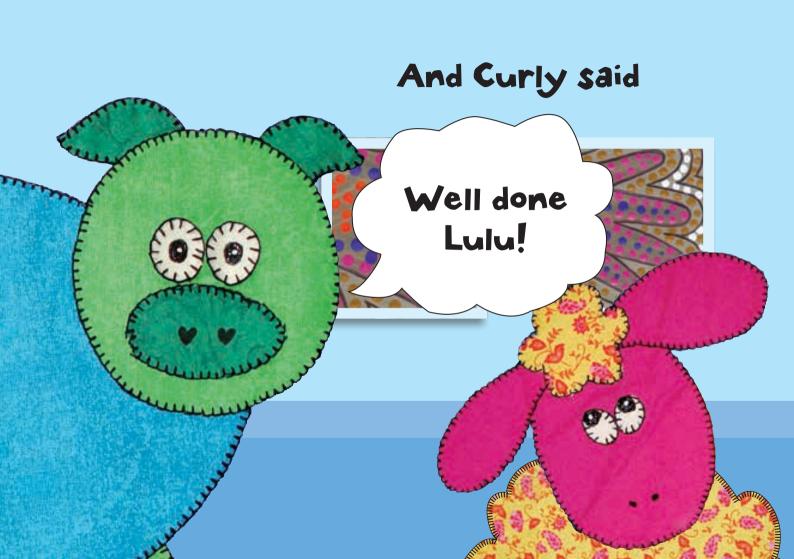

Dixie and Curly said they will have their injections too,

The "Lulu" series was commissioned and developed by the Riverland Division of General Practice as part of health awareness and health promotion strategies for the Riverland community.

This instalment, "Lulu Dixie and Curly have a Good Day" is proudly sponsored by Adelaide PHN (www.adelaidephn.com.au) and Country SA PHN (www.countrysaphn.com.au) and is a reminder for parents of the importance of vaccinating their children according to the immunisation schedule.

The scheduling points in this booklet are correct for 2016. Immunisation programs change periodically so please check with your immunisation provider.

For more information about immunisation please ask your GP or visit the Immunise Australia website at www.immunise.health.gov.au or call the Immunise Australia toll free information line 1800 671 811.
